Next Steps

You've completed the Intro to Next.js Course! What's next?

Congratulations on completing Next.js! In this course, you learned the basics of Next.js and are now able to:

- Define and structure web applications' routes and UIs using the Next.js App Router

- Create a React component and utilize Next.js to offload the rendering to the server by implementing Server Components within a web application

- Set up Next.js locally

Now that you have finished your learning journey, you may be asking, "What's next?" Here are our recommendations for next steps:

Learn Next.js

Learn Redux

Once again, congratulations on finishing your course! We're excited to see what you accomplish next.
